

Finding the perfect match

Learning objective: To use phrases
with *get*

Let's get started

with a warm-up

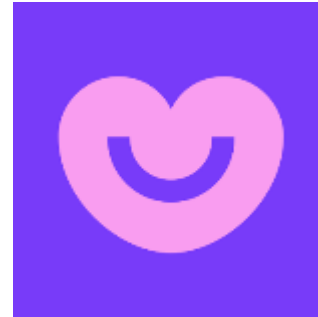

You're going to watch a short video about the apps below. What do you think the video is about? Are you familiar with any of these apps?

Tinder

Bumble

Badoo

OkCupid

Answer the questions in groups.

- What are common ways for people to meet their husband/wife/partner?
- How did your parents meet?
- Has the way people meet changed much over the last 30 years?

In a moment, you'll watch a video titled:

Online dating and its global impact

But first...

Read the statistics and choose your answers: 1, 2 or 3.

A. When was the first online dating site called *Match* launched?

1. 1995 2. 2000 3. 2003

B. How many people use online dating services all around the world today (as of 2018)?

1. 595 million 2. 195 million 3. 295 million

C. Some online dating companies predict that ___ of all relationships will start online by 2026.

1. 20% 2. 30% 3. 40%

Watch the video and check your answers.

- A. When was the first online dating site called *Match* launched?
1. 1995 2. 2000 3. 2003
- B. How many people use online dating services all around the world today (as of 2018)?
1. 595 m 2. 195 m 3. 295 m
- C. Some online dating companies predict that ___ of all relationships will start online by 2026.
1. 20% 2. 30% 3. 40%

Discuss the questions.

- How common is it to date online in your country?
- Do you know what the major online dating site in your country is?
- What concerns are there when it comes to online dating? Is it risky to meet someone online?
- Why might online dating lead to an increase in crime?
- Do you think that the projections mentioned in the video might come true?

Fake or real?

Which of these dating applications are real and which are fake?

The logo for Sizzl is displayed in a large, bold, yellow font. The letter 'S' is stylized with a flame-like shape at its base. The letters 'izzl' are in a sans-serif font, with the 'z' having a unique, slightly irregular shape.

It lets you meet people who share the same specific interest: a love of bacon! It uses your preferences for bacon to find a match.

Which of these dating applications are real and which are fake?

This app connects you to the people you cross paths with every day. You get matched with users within a 250-metre radius so there's a chance you live or work in the same area.

Which of these dating applications are real and which are fake?

A dating app limited to a specific age group. You can't use it unless you verify that you are at least 50 years old!

Which of these dating applications are real and which are fake?

This app connects dog lovers and their dogs. It's like Tinder, but you put up your dog's photo and meet other people based on their dogs' profiles.

Let's see which are real and which are fake.

The logo for Sizzl, featuring the word "Sizzl" in a bold, yellow, sans-serif font. The letter 'S' is stylized with a flame-like shape at its base.

REAL

The logo for Lumen, featuring a yellow sun icon with rays to the left of the word "Lumen" in a black, cursive script font.

REAL

The logo for happn, featuring a blue square icon with a white paper airplane and a trail of dots, followed by the word "happn" in a blue, lowercase, sans-serif font.

REAL

The logo for tindog, featuring the word "tindog" in a lowercase, sans-serif font. The "tind" is blue and the "dog" is red. A small blue paw print is positioned above the letter 'i'.

REAL

What words can you think of that collocate with **get**?
